APPOINTMENT COMMITTEE

Eagle Mt. House, Jackson, N. H.

September 14, 1916.

Mr. Julian Burruss,
State Normal School,
Harrisonburg, Va.,

My dear Mr. Burruss:

Yours came yesterday. So far I have myself heard nothing further from the Slippery Rock place. I note with much personal interest what you have written regarding your plans for the future, and it will be a distinct pleasure to me to help bring things to pass along these lines. Confer with me freely at any time and I shall do the same with you.

Very truly yours,

Wm. H. Keipatrick
