

Dear Mr. Burruss,

I very much appreciate  
the letter you wrote me.  
I shall be glad to talk  
with you whenever  
you may wish it.

My plans for next  
year are entirely un-  
formed, and my pur-  
pose in writing you  
when I did was to give  
you ample time and  
opportunity to select  
my successor.

Very sincerely yours,

Rachel E. Gugg
