Prof. Julian A. Burruss, President,
State Normal School,
Harrisonburg, Va.,

Dear Prof. Burruss:-

Regarding our conversation of Saturday, reference bond of Geo. N. Conrad, Treas. State Normal School, Mr. Price was in Staunton to-day and took up with Col. Perry, the matter of retiring Mr. Conrad's bond. He stated that under the circumstances, if you will make up a condensed statement, showing receipts and disbursements of Mr. Conrad since last report, a certificate from you as to the correctness together with an acknowledgment by Miss Sprinkel of the balance as shown thereunder, will be sufficient. We are also pleased to advise you we succeeded in having the charge for bond of Mr. Conrad discontinued on date of Miss Sprinkel's appointment, therefore, only a small amount will be charged under Conrad bond.

We will appreciate your attention to this subject and trust our action in the premises will meet with your approval.

Very truly yours,

Burke & Price
