

VIRGINIA NORMAL SCHOOL BOARD,

A. STUART ROBERTSON, SECRETARY-AUDITOR.

JUN 18 1915

STAUNTON, VA. June 8, 1915.

Mr. Julian A. Burruss, President,  
State Normal School,  
Harrisonburg, Va.

Dear Mr. Burruss:-

I enclose you herewith a copy of that part of my report of June 1st, 1915, which has reference to your school. In regard to the last paragraph of my report, I stated in reference to the expenditures for furniture that I did not feel that I had authority to approve these vouchers until the Board takes further action, inasmuch as the resolution adopted at Farmville in general terms limits the expenditures of each school to ordinary operating expenses unless otherwise directed by the Board.

Yours very truly,

Secretary-Auditor.

ASR/W

Enclosure.
