Pres. Julian Burrus,  
State Normal School,  
Harrisonburg, Va.

My dear Mr. Burrus:

We have been asked to suggest a principal for the Slippery Rock, (Pa.) State Normal School. The salary was not definitely stated, some \$4000 or \$5000 possibly.\* Probably you will not care to do anything until you hear from the authorities, but if you think it wise to have some of your friends write to Supt, Greene, Beaver Falls, Pa. (with whom we are dealing) it would be all right. Let them say that they have learned of the matter through me.

I should be glad to know how the matter proceeds.

Sincerely,

*Wm. H. Keeney*

\* Have suggested you and two others.
