

Bedford, Virginia
February 15, 1918

Dear Mr. Burruss

I appreciate all
that you have done for
me this as well as other
sessions and regret that
I had to leave!

I am improving
slowly and hope it may
not be long before I am
myself again.

Hope you may have a
prosperous year.

Again thanking you
for your many kind-
nesses, I am

Respectfully Yours
Elizabeth Mitchell
