My dear Burruss:-

I want to thank you for the delightful manner in which you entertained us while at the Superintendents' Conference in Harrisonburg. You not only made our stay very pleasant but I was delighted with the music and the educational films, and I am sure that everyone enjoyed the visit.

We expect to send you a large number of teachers from Frederick County for the summer course. Your graduates are doing excellent work and your school deserves all of the support that the State is able to give you.

With kind regards, I am

Very sincerely yours,
