Dr. Julian A. Burruss,  
State Normal School for Women,  
Harrisonburg, Va.

My dear Dr. Burruss:-

I am writing to thank you for the invitation to attend the Commencement Exercises at the State Normal School May 31st--June 4th, and to express my regret that my engagements are such that I cannot be present upon that occasion.

I hope this summer to be in the Valley and it will give me pleasure then to visit the school.

With kind regards and renewed thanks, I remain,

Yours very truly,
