Pres. Julian A. Pomeroy
Francis on being
Prof.

Dear Sir

Since count-

ing up my expenses
I find that the school
is due me \$11.50

At the beginning
of the school in Sep.
I was your director
of music told me

she thought all the
pupils I would have
would be able to get
practice periods for
the piano in the fo-
rally room and the
piano on which I
taught. This proved to
me that I was not ex-
pecting to have many
pupils. One piano
would be in use all
the time if thirty-five
pupils were taught

and I would take
more than two hours
or for particular periods
for thirty-five pupils.
I was told at two
different times in the
school that I would
not like the director
of music and would
find her out only
occasionally this because
you were told that
some of the pupils
would not take

leaves from me.

Very respectfully
Edwyn Cross
