

JOHN W. WAYLAND, PH. D.
DEPARTMENT OF HISTORY AND
SOCIAL SCIENCE
STATE NORMAL SCHOOL

HARRISONBURG, VIRGINIA

March 28, 1919.

President Julian A. Burruss,
Harrisonburg State Normal School,
and
The Virginia Normal School Board,
Gentlemen:

For several years I have been hoping to find time to do some writing in educational fields more or less directly connected with my work in the Harrisonburg State Normal School and other schools of Virginia, but inasmuch as I have not been able to do so and inasmuch as I see no prospect under present conditions of being able to do so, I hereby ask for a full leave of absence from the school for the session of 1919-1920 (September 1919 to June 1920); and I also tender my resignation as secretary of the faculty, this resignation to go into effect at the close of the present regular session, June 10, 1919.

Very respectfully,

John W. Wayland.
