

Dear Mr. Burruss:-

I seemed to have made an unnecessary mess of affairs and caused you unnecessary worry. When you have leisure to talk to me, we will go over the situation once more and I shall be willing to accept whatever decision we reach at that time.

Mrs. Le Hew has 15 days' salary coming to her. That equals  $\frac{3}{4}$  of a month's salary which was \$ 14 or \$ 10.50. A check for \$ 10.50 should cover our obligations.

Very sincerely yours,

April 29

Rachel E. Gregg
