

President Burruss of the Harrisonburg School presented a request from Miss Natalie Lancaster, instructor in Mathematics, for a leave of absence with half pay, from February 1, 1915 to the end of the present school session, and stated that her work could be carried on by other members of the faculty without cost to the school. Upon motion of Mr. Shackelford, the Board granted the request, provided arrangements for the work can be made satisfactory to the president of the school.
